

String Mittens

Find a mitten pattern that you want to make, there are many free online

<http://www.barlowscientific.com/technotes/home/mittens.htm>

<http://www.onepearlbutton.com/2008/11/recycled-luxury-sweater-to-long-mittens.html>

http://frugalliving.about.com/od/craftsgifts/ss/Sweater_Mittens.htm

Trace the pattern for left and right mittens onto a stabilizer

Put the batting under the stabilizer and start sewing the strips on

continue until you have the whole pattern filled up with strips, then trace the outline of the pattern with stitching to make cutting easier, cut the pattern out, with the lining

Now cut out the design

now sew the mittens and lining together following the pattern instructions

and you are done
